

Woodland Birds of the Limestone Coast

South-eastern Red-tailed Black-Cockatoo

M: red panels in tail. F: spotted/barré with yellow, orange/yellow barred tail & whitish bill.

Yellow-tailed Black Cockatoo

Black with yellow cheek patch, feathers edged pale yellow. Pink eye ring. Noisy, often in flocks.

Galah

Grey back & wings, pink chest & underparts, white crest. Form permanent pairs.

Sulphur-crested Cockatoo

Noisy, ground feeders in flocks. Often with Little Corella or Long-Billed Corella.

Purple Crowned Lorikeet

Bright green back, blue shoulder, red underwing, yellow undertail, orange above beak, purple crown

Crimson Rosella (Adult)

Crimson body, blue cheeks, shoulders & tail. Juv: Green back with crimson underparts.

Crimson Rosella (Juvenile)

Green back with crimson underparts.

Eastern Rosella

Red head & breast, yellow-green back, lime green rump & blue tail. White cheeks & tail tips.

Red-rumped Parrot (Male)

M: Brilliant green, red rump (obvious when taking flight), yellow belly & shoulder patch.

Red-rumped Parrot (Female)

F: Dull olive green.

Australian Magpie

Black and white, whole back white. Flute-like carolling. Feeds on the ground. Can be territorial.

Grey Currawong

Smoky grey, darker on face and throat. White band on underside base of tail. Yellow eye.

White-winged Chough

Black with white patches on wing. Red eyes. Highly social - forage in family groups of 6-14.

Little Raven

Completely black with white eye. Often flicks wings above back when perched.

Eastern Spinebill

Long thin curved bill. Black head & shoulder crescents. White chin & throat. Rufous patch under throat.

New Holland Honeyeater

Streaked black & white. Yellow wing patch. Black head, short white eyebrow & ear patch.

White plumed Honeyeater

Olive bird with yellow cheeks. White neck plume, bordered black. Fawn underparts.

Yellow faced Honeyeater

Grey-brown above, paler below. Black bordered yellow facial stripe. Cheerful 'chick-up' call.

Red Wattlebird

Grey-brown honeyeater with white streaks. Dark pink wattle at ear. 'Hiccup' call.

Little Wattlebird

Olive-brown bird with no wattles. Finely streaked with white.

Silvereye

Bright olive green head & wings. Grey patch on back. Bold white eye ring.

Willie Wagtail

Black with white underparts and eyebrow stripe. Fans tail & swings body side to side.

Restless Flycatcher

Black upper parts. White breast & undertail. Buzzing 'scissor grinder' call. Similar to Willie Wagtail.

Grey Fantail

Grey upperparts, white eyebrow, ear mark & throat. Fans tail constantly.

Dusky Woodswallow

Dark black-brown with white wing & tail tip. 'Wag' or swivel tail when perched.

Superb Fairy Wren (Male and Female)

M: Bright blue crown, upperback & ear coverts. F: Brown, blueish tail. Family groups often on the ground.

Fan-tailed Cuckoo

Fawn chest, black and white wedged-shaped tail. Yellow eye ring.

White-browed Scrubwren

White eyebrow and cheek stripe. Throat whitish with dark streaks. Upper olive brown, black shoulders.

Grey Shrike-thrush

Grey bird with brown back. White between eye and beak. Ringing melodious trill.

White Browed Babbler

Groups of very active, noisy birds. White chest, stripe above eye and tail tip. Down curved bill.

White Throated Treecreeper

Dark back with white throat and breast. Striped belly and flanks. Forages upwards on trunks.

Black-faced Cuckoo-shrike

Grey back with black mask over face and throat. 'Shuffles' wings on landing.

Golden Whistler (Female)

Brownish-grey bird. Rich melodious call, often with whipcrack ending.

Golden Whistler (Male)

Black head & bib, white chin. Yellow nape, breast & abdomen. You may also see Rufous Whistler

Eastern Yellow Robin

Underparts citrus yellow. Grey head. Olive back & rump. 'Flicks' wings and tail.

Scarlet Robin (Male)

M: Scarlet breast. Black head, back & throat. White wing-bars & above bill. Often in pairs.

Scarlet Robin (Female)

F: Brownish head, pale scarlet wash on breast.

Jacky Winter

Grey-brown bird with white eyebrow and wing edges. Wags tail sideways when perched.

Spotted Pardalote

Spots on head, wings and tail. Chestnut red rump, yellow throat. Breed in small burrows or hollows.

Red-browed finch

Olive green with red eyebrow extending from red bill. Red rump. Grey underparts.

Crested Pigeon

Bold black bars and metallic patch on wings. Upright black slender crest. Call: Explosive 'whoop'

Common Bronzewing

Metallic spots on wings. White line under eye. Pink-brown breast. Resonant deep 'whoom' call.

Peaceful Dove

Grey with fine black streaks and barring. Forehead and throat blue-grey. Blue ring around eye.

Tawny Frogmouth

Grey-brown marbled plumage with dark streaks. Tufts of bristles above broad bill. Well camouflaged.

Southern Boobook

Upperparts chocolate brown. Distinct dark discs around eyes. Call: falsetto double hoot "boo-book"

Whistling Kite

Light brown with dark wing tips and pale wing linings. Long rounded tail. Call: distinct whistle.

Collared Sparrowhawk

Slate grey back, wings and head with rufous collar and underparts. Square tail in flight. Yellow legs.
